CO-EDUCATIONAL DAY SCHOOL

Information for Candidates

Senior School Sports Assistant

Head's Welcome

Thank you for your interest in joining our team. This is an opportunity to play an integral role in a school with a rich history at the vanguard of educational change. We have a powerful sense of the way in which we shall develop in the decades to come and we seek energetic professionals to join us and to help us to build and realise our vision.

We take pride in a school culture which is inclusive, and which is both forward looking and rooted, dynamic and yet caring. Through our rigorous and imaginative curriculum and a highly responsive pastoral system, we engender in our pupils the courage and ambition which

they will need to succeed and to play a constructive role in their wider community and society.

Our staff are the School's most valuable asset and we aspire to create a sector-leading environment in which they can work. We are committed to a thoughtful process of continuing professional development and we create multiple pathways for our colleagues to progress in their knowledge, skills and experience. We are fortunate to have built a strong sense of loyalty amongst our colleagues and we regard the stability of our staff body as a major strength. Many of our employees have built successful careers with us over a protracted period and the sense of community amongst us is strong. Opportunities for promotion and advancement are plentiful. Professional fulfilment is key to staff wellbeing, but so too is access to a range of additional benefits and we are responsive to this too – the happiness of its staff is critical to any organisation's ultimate success.

Ibstock is without a doubt the most dynamic and the most interesting school in which I have worked through my career. I hope that you will be inspired to join us and to make your own contribution to our evolving mission and journey.

About the School

Ilbstock Place School is an independent co-educational day school affiliated to HMC, the Head's Conference and to IAPS, the Independent Association of Prep Schools. We occupy a beautiful and well-appointed ten-acre site on the edge of Richmond Park in South-West London.

Established in 1894, we have championed the merits of co-education since our foundation. The School was originally created to showcase the ideas of a progressive German educationalist, Friedrich Froebel and, early on, it specialised in Early Years education. Indeed, it was Froebel who coined the term Kindergarten. While EYFS provision remains an important part of our provision, we have grown considerably since 1894 and we now provide an integrated pathway for our pupils all of the way from 4 to 18 years. We are heavily oversubscribed, and we currently educate around 1100 young people. We have major points of entry at 4+, 7+, 11+ and 16+ and a thriving Sixth Form of around 200 pupils. Our catchment area is steadily growing and our pupils join us from a wide range of both maintained and independent schools.

Academically, the School is strong and we routinely appear in the upper reaches of newspaper league tables, both for GCSE and A Level outcomes. About 80% of our pupils move on every year to Russell Group universities, including Oxford and Cambridge. There is also growing interest in higher education pathways outside of the UK, including those in North America.

Our curriculum is broad and balanced. We seek a unique synthesis of learning which combines the best traditions of a liberal and humane education with an outlook which is forward-looking and dynamic. We have invested heavily in new technology in recent years and we seek to be at the forefront of educational change.

About the School

We recognise that AI will re-shape the landscape of schools in the decades to come and we are taking steps to ensure that we are well-placed to benefit from it. We understand too the importance of a strong co-curricular offer – from our inception, we have been convinced of the virtues of a “whole education”. Our pupils can access over 140 different clubs and activities and we have exemplary provision in sport, music, drama, dance and debating. In the Senior School, the Duke of Edinburgh Award Scheme is notable for its strength and quality of provision. We expect all teaching staff to make a meaningful contribution to it.

Our pastoral system is exceptionally well-developed and responsive to the individual needs of our pupils. The work of our pastoral teams is supplemented with a class-leading pupil counselling service which we run in collaboration with The Soke, a specialist mental health and wellbeing provider based in South Kensington.

We are committed to the integration of pupil voice in the life of the School and our prevailing organisational culture prioritises the importance of listening, just as it does the celebration of our diversity and the affirmation of our pupils’ achievements. The same extends to our other stakeholders – our parents and, of course, our staff.

As a charity, we work hard to ensure public benefit. In addition to a generous and expanding programme of bursaries to support pupils for whom an independent school education would ordinarily be out of reach, we sustain a burgeoning partnership programme with many local state schools and community organisations. In addition to the frequent sharing of our facilities, we undertake a wide variety of projects across all aspects of our operation which ensure that in Roehampton and beyond, we are a force for good. For more details of our work, see www.schoolstogether.org and search for Ibstock Place.

We are ambitious for our future. We have grown considerably in recent years – in size most certainly, but also in terms of our profile and our achievement. Our ambition is to build yet further upon this recent success and to become the leading co-educational independent day school in London.
